The ***Semper Fi Fund*** (SFF) (<http://www.semperfund.org>) is a non-profit organization that provides financial assistance and quality of life solutions for Marines and Sailors, as well as members of the Army, Air Force and Coast Guard who serve in support of Marine forces, when they become injured in post 9-11 combat or training operations, or they face life threatening illness or injury. Our fund provides relief to qualified service members and their families for immediate financial needs that arise during hospitalization and recovery, as well as perpetuating needs such as home modifications, customized transportation and specialized equipment.

SFF has awarded over 30,000 financial grants totaling more than \$49,500,000.00 to service members and their families!

The ***Semper Fi Fund*** recently celebrated their 7th Anniversary. The SFF was founded Karen Guenther, a registered nurse and spouse of an active duty Marine who had first-hand knowledge of the challenges faced by wounded Marines and Sailors returning from Iraq and Afghanistan. She, along with a dedicated group of military spouses established Injured Marine Semper Fi Fund in May of 2004.
