How We Are Unique

- The Fund is run by military spouses and former military members who have been in the trenches and know the needs of the families.
- Unique care model that provides lifetime support for the combat wounded, critically ill, and catastrophically injured.
- Three Program Areas: Service Member & Family Support, Transition, and Integrative Wellness.
- A family - we have been told over and over again by service members and their families that our committed and passionate staff and volunteers go above and beyond to embrace them as part of our family.
- Long-term experience - knowledge as a veteran nonprofit from 15 years of assisting combat wounded, critically ill, and catastrophically injured service members, making the Fund resident experts in our crucial mission of "serving those who preserve our freedom."
