How We Are Unique

- The Fund is run by military spouses and former military members who have been in the trenches and know the needs of the families.
- Unique care model that provides lifetime support for the combat wounded, critically ill, and catastrophically injured.
- A family — we have been told over and over again by Service Members and their Families that our committed volunteers and passionate staff go above and beyond to embrace them as part of our family.
- Long-term expertise — knowledge as a veteran nonprofit for 16 years. We are very proud that we are one of only two Veteran nonprofits to receive an A+ rating from leading watchdog group, CharityWatch.
