Our Mission: Semper Fi Fund is dedicated to providing immediate financial assistance and lifetime support to combat wounded, critically ill and catastrophically injured members of all branches of the U.S. Armed Forces and their Families. We deliver the resources they need during recovery and transition back to their communities, working to ensure no one is left behind.

“I wouldn’t be where I am today without the Semper Fi Fund. It’s been 15 years since my injury, and they are still with me.”

“I went from having surgery every day to every other day to twice a week to once a week for a while,” he says. “My wife had to quit her job because she had to be at the hospital and take our kids back and forth to school. She was doing a lot of running around. Just in gas cards alone, they helped out a lot. They’ve done so much for us, I really can’t repay them for it.”

Integrative Wellness — Providing Wellness Tools to Improve Body, Mind, and Spirit

**Our Integrative Wellness Program...**

Applies a holistic approach to wellness. Through innovative technologies such as neurofeedback and specialized equipment, Post Traumatic Growth videos, ‘Recovery Through Sport’ - our adaptive sports program, Jinx McCain Horsemanship Program, and Therapeutic Arts we foster healing in a powerful and sustaining way for overall health and wellbeing.

*Every step of the way, the Semper Fi Fund has been there. They never hesitated, and that has been such a stress reliever—from helping me with a bed to ease my back pain to helping pay for acupuncture appointments as well as weekly counseling to learn how to deal with post-traumatic stress disorder (PTSD). I am still healing, still struggling, but at least I know that my SFF Family will always be there for me in this long journey of healing and living life.*

This program expanded our mission to care for Vietnam veterans catastrophically injured from combat operations. Our team has felt for many years that there is a significant gap in care for those who served our country in Vietnam.

Two thirds of Vietnam veterans were volunteers, and our goal is to show this generation of military they are loved and appreciated. We are starting with the most catastrophically injured and will help in three specific areas:

**Housing Grant**  
(Modifications, Repairs, Adaptive Home)

**Transportation Grant**  
(Adaptive Vehicle or Modifications, Vehicle Repairs)

**Medical Care Grant**  
(Not Covered by Insurance or VA)

We spoke with many of our donors and our current post 9-11 Service members and received a passionate GO FOR IT in response to this new program. Our Semper Fi Fund Service members feel they received such a warm welcome home from combat due to the lessons learned in Vietnam.

It’s time to honor these American Heroes! This program is proudly named after Bob Parsons, Vietnam Purple Heart recipient. The Bob & Renee Parsons Foundation is also Semper Fi Fund’s largest donor. We hope you will be as excited as we are to expand Semper Fi Fund’s mission and welcome Vietnam veterans into our family!
